Notes to MOR:

On November 28th, 2022 (the “Petition Date”), BlockFi Inc. and eight of its affiliates (collectively, the “Debtors” or the “Company”) filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On November 28, 2022, the court entered an order [Docket No. 18] authorizing joint administration and procedural consolidation of these Chapter 11 cases pursuant to Bankruptcy Rule 1015(b) under the lead case *In re BlockFi Inc., et al.*, Case No. 22-19361. On December 21, 2022, the United States Trustee for the District of New Jersey (the “U.S. Trustee”) appointed an Official Committee of Unsecured Creditors (the “Creditors Committee”) [Docket No. 131]. No request for the appointment of a trustee or examiner has been made in these Chapter 11 cases. On October 3, 2023 the Court entered an order confirming the Debtors' chapter 11 plan [Docket No. 1655]. On October 24, 2023 the Debtors' chapter 11 plan became effective [Docket No. 1788].

BlockFi Investment Products LLC (the “Debtor”), formerly BlockFi NB LLC, is a Delaware Limited Liability Company, formed on July 14, 2021. BlockFi Investment Products LLC was organized to sponsor various over-the-counter investment trusts (e.g., BlockFi Bitcoin Trust, BlockFi Ether Trust, BlockFi Litecoin Trust, and BlockFi Digital Asset Trust (dormant)) and trusts for proposed exchange-traded products (e.g., BlockFi Bitcoin ETF). BlockFi Inc. sold its 50% ownership interest in February 2022, and now owns 100% of the trust vehicles.

The Debtors are filing their Monthly Operating Report solely for the purposes of complying with the monthly operating report requirements applicable in the Debtors' Chapter 11 cases. The financial and supplemental information contained herein is presented on a preliminary and unaudited basis, remains subject to future adjustments, and may not comply in all material respects with generally accepted accounting principles in the United States of America (“U.S. GAAP”) or International Financial Reporting Standards (“IFRS”). This Monthly Operating Report should not be relied on by any persons for information relating to future financial conditions, events, or performance of any of the Debtors or their affiliates.

The financial information has been derived from the books and records of the Debtors. This information, however, has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. GAAP or IFRS, and upon application of such procedures, the Debtors believe that the financial information could be subject to changes, which could be material. The information furnished in this report includes primarily normal recurring adjustments but does not include all adjustments that would typically be made for financial statements prepared in accordance with U.S. GAAP or IFRS. The preparation of the Financial Statements and MOR required the Debtors to make commercially reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and

contingent liabilities at month end, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.

Except for cryptocurrency amounts owed to creditors and intercompany balances as of petition date, all information presented has been translated using prevailing prices as of UTC 23:59:59 as of the applicable period end.

When determining the prices for digital assets and liabilities, the Company assesses the principal market in which to sell the digital assets or in the absence of a principal market, the most advantageous market. Market prices for such assets and liabilities may be volatile and not be readily ascertainable. In addition, the Company's ultimate realized value will be based on outcomes that are difficult to predict and outside of the control of the Company. As a result, amounts ultimately realized by the Company may differ from the fair values presented.

Client balances reflected in the financial statements and this Monthly Operating report are as of UTC 1:15:00 on November 11, 2022 (20:15:00 prevailing Eastern Time on November 10, 2022).

The Debtors reserve all rights to amend or supplement this Monthly Operating Report in all respects, as may be necessary or appropriate. Nothing contained in this Monthly Operating Report shall constitute a waiver of any of the Debtors' rights or an admission with respect to their Chapter 11 cases.
